

**Fall 2022**  
**Non-Candidate - Zoom/Virtual**  
**STUDY GROUP IN JUNGIAN PSYCHOLOGY**

An ongoing monthly seminar providing in-depth study of the substance of C.G. Jung's work—the how and why of his ideas, as well as practical applications. Each semester, participants will meet for four sessions under the tutelage of diplomate Jungian analysts. A variety of subjects will be taught, including structure and dynamics of the psyche, complexes and psychopathology, dream interpretation, alchemy and archetypes of the collective unconscious. This semester will focus on Jung's ideas as expressed in some of his major writings.

The seminar is open to the general public, and is a prerequisite for application to the Analyst Training Program. ***Participants must have some background in Jungian psychology and be in analysis at least two hours a month with a diplomate Jungian analyst with membership in the International Association for Analytical Psychology. \* \*\* There are no exceptions to this requirement.***

**WHEN:** Saturdays (Sunday will be added if the Saturday group fills)  
9:00 a.m. – 2:30 p.m. MDT, with an hour lunch break.
