

Special Topics in Jungian Psychology

Fall 2024

Six classes offered by the C. G. Jung Institute of Colorado

Jungian psychology connects us to the rich and mysterious inner world that our culture so often discounts. This series of classes will explore Jung's autobiography, Memories, Dreams, Reflections. Analysts of the Jung Institute of Colorado will offer lectures and lead discussions in conversation with participants. This is an excellent opportunity to work with the members of the Jung Institute of Colorado and is open to both beginners and those more experienced with Jungian thought.

Meetings will be on Zoom, Wednesday evenings.
